

Synod-wide Mission Initiative Grants (SWMIG)

These grants are for a major mission initiative proposed by a local church or a classis, and are awarded for a total of \$100,000 to be disbursed over a period of five years. Only one of these grants will be active at any one time, unless special funding sources are given for other initiatives.

These grants are to support ministry of an outreach nature which includes a spiritual and other support. Applications must indicate clearly how they will extend the kingdom of God. We will require a yearly evaluation of the fulfillment of specific goals.
